THE HOOD SCOOP is published as an informative news bulletin to keep our members up to date on past, present and future events.

GATEWAY GTO ASSOCIATION MEETINGS are held monthly. Dates, times and locations are listed in the **UPCOMING EVENTS** section of the newsletter.

GATEWAY GTO ASSOCIATION PHOTO ALBUM: If you have photos of past events or if you take pictures of future events that you think would be good for the photo album, please put your name, the date and description of event on back and send to the Photo Album Editor Vic Nettle.

The **GATEWAY GTO ASSOCIATION** is an official chapter of the **GTO ASSOCIATION of AMERICA**

PREZ SCOOP

Fellow members,

I would like to thank those of you who made the August meeting. There was a lot to be gained by attending the meeting for some-- Right, Vic and Joyce? Maybe we ought to call our 50/50 drawing the "Gateway Little Lottery" or something like that. Cathey also handed out some beautiful posters (suitable for framing) commemorating the 1994 Nats to those who helped with the meet. If you weren't present, see Cathey as they are in limited supply.

Also, at the meeting we finally got to welcome Mary Doom as an "official" member (again). She's done her share of work recently-- She might as well be a member, right? (Yes) Anyway, Mary, we're glad you're with us-- we want that 69 on the road!

I'm excited about the decision to do a road run, right Will? I think everyone has gotten their breath after the Nats. I know I'm ready to hit the road-- It's been a while since we've had a road run together. If anyone has any suggestions on where to go, I'm sure Will and Donna would probably appreciate hearing from you. (Indianapolis-- *NOT*). (Nothing personal, IGTOA, it's a standing joke about all the trouble we had at the last "Day at the Track" meet.)

VIDEO UPDATE-- I have been receiving orders in from across the country at a steady pace since the ad appeared in the Legend. Some attended the Show, some not. Quite a few who attended have made very positive comments regarding the Nats. Margo is still reviewing the numerous tapes that she took and is getting ready for the editing process. We will have included media coverage from channels 4,5, and 11. Get your orders in now!

A special note-- Please remember Jerry Raglani who was recently in the hospital for an operation. In our last conversation, he was pretty much confined. He might appreciate hearing from you.

Don't forget the picnic August 28! See you there.

Good Goating,
Darrell

AUGUST 28 GGTOA PICNIC

Now that I have your attention let's talk picnic. This should be a must on your calendar of activities. We always have a great time rain or shine. It will be at the same place as last year. Maryland Heights Park, 270 to Dorsett, east on Dorsett to Fee Fee Road, left on Fee Fee, Fee Fee to Midland, right on Midland, Midland to the park. The club will be providing all the food and soda this year. If you want to bring a special desert call : Shirley Bezzole 878-6892

Minutes of the August Meeting

as recorded by: Micki Monnig

The meeting was held at Buster Murphy's on McKelvey and Dorsett Roads on the 4th day of August 1994. There were eighteen members present.

Darrell Carnal , president , called the meeting to order at 7:24PM. He was immediately interrupted by John Seabolt, who introduced Tony Tosto. John continued with a commercial about Tony's auto repair shop.

Darrell again took the floor and introduced the board members present and our newest member, Mary Doom. Mary talked a little about her 1969 GTO Hardtop.

Will Bowers took the floor with his treasurer's report. He stated that we have about thirty-three or thirty-four hundred dollars in the treasury at this time but that we will have some expense not yet paid with the videos. The statement was made that we need major sales of the video. He then continued with his sales pitch for the shirts he is selling with the embroidered logo "thirty years of slammin gears".

Cathey Pacelli took the floor and read some letters that have been received congratulating everyone on their performances at the Nationals. They were very complimentary. She went on to say that Dick Randall is compiling the information from the meet survey and would be providing us that information in the near future. He has also taken over the insurance responsibility for the GTOAA. She also stated on a couple of occasions that we would be asked to participate in next years Nationals in a guidance capacity.

GTOAA has sent us fifty extra copies of the Legend issue from the Nationals. If you would like one, contact Cathey. If you volunteered at the Nationals, you have a poster, suitable for framing, coming to you. If you were not at the meeting and you worked the Nationals, contact Cathey.

Joyce Nettle took the floor and offered newsletters from other clubs. She went on to highlight some upcoming events, the picnic being the most important. Mark your calendars, the Gateway GTO Association Annual Picnic is Sunday August 28th, 1994. All food, beverages, deserts will be provided by the club. Bring yourself and you family and have a good time, rain or shine.

Darrell again took the floor and presented some literature on a car cover, sack is a better description, if you are interested in zipping your car in, contact Darrell. He then discussed the video. John and Margo are reviewing the footage taped and will be editing soon. It is very important that you send your money and video order in as soon as possible. They will be available in five to six weeks.

There was a discussion concerning advertising the video in Hemmings. It was decided that we would. The ad will be in the Sept. issue (Pontiac Parts, Video).

Will Bowers took the floor and stated that he had talked with Bobbie from Bobbie's Frozen Custard. Bobbie was lukewarm and expressed many concerns about the cruise tentatively scheduled for this fall. It was decided that would abandon the organized "Cruise" and just cruise as a club. Motion was made to forget the Bobbie's Cruise and it was seconded.

Will also stated that the Chevy club has asked us to sponsor a class in a cruise that they are organizing. The cost is \$35.00 and it was agreed that we would sponsor a class.

Minutes cont.

Cathey presented us with a great door prize that was overlooked at the Nationals. So after a discussion, it was decided that we would draw a second 50/50 ticket and that person would receive the door prize. Just one more reason why you should always attend the meetings and support your club.

Darrell again took the floor and presented the Nationals edition of the Legend.. He discussed the "Barsky Award" and encouraged anyone not already a member to join the GTOAA. We would like to see our club reach a fifty percent participation.

A discussion concerning the election of officers was began. The suggestion that the club form a "Nomination Committee" was presented to the club members. Ron Fieberger brought up that the constitution by-laws are specific concerning this and would need to be amended. It was decided that this was a good idea and should be pursued further. The committee would be responsible to call each club member and find out if they would be interested in an office. We need people who are willing to participate in this. Please give this issue your time and consideration and attend the next meeting with your input.

Ron Fieberger took the floor and presented some literature about model cars. A person he knows works for a dealer and the dealer would be willing to sell us these items for ten percent over their cost. There was lots of merchandise of various kinds. Call Ron for details.

Darrell took the floor again and promoted a club cruise. Several suggestions were tossed around and it was decided that we need more input. Think about this and bring your ideas to the next meeting.

It has been requested that the GTO club race the Corvette and Ford clubs again and we need to set a date for these events. The question was presented to the members, do we even want to do this? The answer was YES.

The Bowers volunteered to chair the cruise. Details in the future.

The 50/50 took in \$30.00 - \$15.00 to the winner. John Novelli won the money and the second ticket drawn for the door prize was won by Joyce Nettle.

There being no further business to come before the meeting, the motion to adjourn was made and seconded at 8:44PM.

CHECK THE UPCOMING EVENTS

Registration At The 1994 GTO Nationals - by Marty Howard - Meet Registration Chairman

"So how'd it go?" was the most asked question after the event. My own question was "How am I going to do this?." This 'thing', this monster that I envisioned it was going to be. What had I gotten my little hiney into this time? Heck, I just joined the Gateway Club about a year ago and already I had volunteered to be the chairman of the registration committee. I wanted to make a big splash but I was afraid I was going to drown. Last year was the first time for me to attend The GTO Nationals in Indianapolis, Indiana. I waited in that registration line for 3 1/2 hours and I said to myself that I could do better. But could I really pull it off? I knew that there was a lot of work to be done. As the time approached for me to get into full swing, I started to have my doubts. Maybe the lines would be around the hotel and 3 1/2 hours would seem short. I was scared.

But with help from some great, great, great (did I say great?) people, I was able to pull it off in grand style. Thanks to Judie Bishop, Mary Doom, Diane Eysell, Ron Fiebiger, Diane Johnson, Beth Middendorf, Karen Middendorf, Micki Monnig, Chris Simmons, Alayna Sommers, Trudy Sommers, Grant Taylor, Lynn Tombridge, Jenni Vie, Sue Vie, (I hope I've not forgotten anyone!)

No fear was exhibited by me. At least not on the outside. We had our walk-throughs before the event and we learned a lot even at the last minute. One person on the team pretended to be a pre-registrant and another was a walk-in registrant. They went to their respective areas in the registration room and we were off and running. Or was it we were off and crawling? How could so many things go wrong so fast? And this was just us doing our 'thing' at our own pace. I was getting nervous. (Wouldn't you?) Wasn't this supposed to be fun. I kept remembering Cathey saying to all of us, "we're going to have 'fun'". Where was this 'fun' thing and how could we get some? Lots of it!

On the first day of registration, we opened about 3 hours ahead of schedule. A few people were on line so we took them in. It went pretty good. We all breathed a sigh of relief. But what would happen when the day went on. To sum it up, all went really well. My team of "Marty's Girls" plus a few guys, really saved me. Everyone learned their job quickly and treated all entrants to our good old midwestern hospitality (Holy cow! Did I say "our"? Although I moved here from New York just over a year ago, it looks like I've become one of you!, and I wasn't even looking to do that. Must have happened when I wasn't watching or in my sleep).

The registration team took on a lot of responsibility. Some of the team almost never left their assigned desk. When breaks were needed, there always seemed to be someone to take over. Some of the members even helped out on other teams while they were registering people. How did they do that? Don't ask me. My team members were just so talented.

We had numerous positive responses from the people at the show. Some waited a few minutes in line to register. Others didn't wait at all. What a team! Thanks, Thanks, Thanks to all my registration team members. You know I could not have done it without you. And now, the rest of you, know the rest of the story (as Paul Harvey would say).(Don't ask me who Paul Harvey is. Maybe it's a New York 'thing'.)

Registration cont.

Long hours and dedication is what it took to get the job done. I'm sure that I will be contacted by future event chairmen to get my input. I've got a load (a real 'load') of suggestions for them. Anyhow, that's how it was from my perspective as Registration Chairman.

POCI WEEKEND

By: Joyce Nettle

This year POCI was in Springfield, IL. Grant you this was not quite in our back yards, but it wasn't far. Vic and I had a pleasant trip up. It only took about 1 hour and a half. I packed the Grand Prix full of club memorabilia leaving just enough room for a suit case and Vic's wheel chair in the back seat. I was hoping to sell a lot and have more room on the way home. That is if Vic didn't buy a lot of parts.

When we got to Springfield, Will and John were already there. They let me have a spot in the swap area. We had great weather but little sales. Unfortunately the sales were a lot slower in Springfield than at our Nationals. There seemed to be plenty of people, they just weren't in the buying mood. All the vendors we talked to mentioned how slow sales were.

While at the swap, several members stopped by to say, Hi. Those I can remember were, Tony Bezzole, Will Bowers, Jim & Elaine Brune, Darrell Carnal, Tom & Diane Eysell, Pete Fahle, Steve Hedrick, Ron Hinote, Marty & Mary Howard, John & Diana Johnson, Darrell & Tootie May, Dale McCurdy, Tim Moll, John Novelli, Bruce & Deborah Rutherford, Jim Weaver, & Joe & Windee Wirthlin. We also ran into several people who attended the Nationals. They were all impressed with the show and what great hosts we were.

Friday night John, Will, John's brother Jim, Vic and I all went out to supper. We chose a Mexican restaurant with about a two hour wait. While we waited everyone but me had Margaritas. This was Vic's first time for Margaritas and he was feeling no pain. We all had a great time and the food was worth waiting for.

Saturday I chose to close down the swap and go to the show. If I had to choose one word to describe what it looks like to see all those pontiac's in one place it would have to be, Wow! This is the one opportunity to compare years, models & makes of almost every Pontiac made.

This has been a great summer, with more shows out there than one person could ever attend. Just ask Vic what I've been having him do or take a look at our points. If you haven't gotten much time to attend many shows, get out there and enjoy what's left of the summer, while you can. If your car isn't ready, then just go and spectate and visit with friends, and have some fun. We'd love to see you.

5th Annual GTO Classic

by Joyce Nettle

This was the first time for Vic and I to attend the "GTO Northern Nationals", now called the "GTO Classic". We heard from John Novelli that this was a great show and Michigan's largest all Pontiac swap meet. We weren't sure that we were going, but John convinced me it would be worth while. So we made our reservations and packed to go.

Thursday evening after packing I took the trash out and ran into a skunk, well almost. It seems that the skunk wanted to move in under our front porch.. This was about 8:50 PM so I zoomed to Central Hardware and got some cement to fill his hole. I also got moth balls and sprinkled them around. At about 10:26 PM I finished and we hit the road.

The GTO Classic Show is a two day event. Saturday was race day and Sunday was Show and Swap day. This was a fast paced show. Vic and I didn't go to the races; we chose to go to the Ford Museum, Yes *Ford!* There was so much to see we had a hard time knowing where to start. We spent 3 hours looking at everything of interest. When we got back to our GTO in the parking lot there was a note on the windshield. My first thought was that someone wanted to buy our GTO, but it was in fact a greeting from Will and Donna Bowers who had spent 5 hours touring the same Museum.

Saturday night was the parking lot party. This consisted of viewing a few GTOs and talking to the owners. The guest speaker was Jim Wangers.

Sunday was Show and Swap day at Domino's farm (a huge Farm and convention center owned by Domino's Pizza). Vic and I opted to park in the swap area where we sold promotional items for the GGTOA. Our swap space was with spaces of Will and Donna, and John. We showed off our car and several persons wanted to know if it was for sale but they didn't offer enough. John Sawruk let us know that our right stop lights are not as bright as the left ones (probably because Vic ribbed him about winning the GTO Nationals "best of show" with a car that Vic does not consider to be a GTO.)

We had a great time. The Woodward Tigers did a great job, they had over 200 GTOs (including John's fantastic GT-37).
