## PREZ SCOOP--JULY 1994

Fellow Members,

Where do we go from here?? It's hard to believe that what we've worked on and planned on for so long- has come and gone. I feel as if we should be still doing something regarding the Nationals. Cathey put it all in perspective, however, when she mentioned it was like giving birth to a child and then giving it up. There is a bittersweet flavor to all this--a certain feeling like that of being alone or without something you've become very attached to and at the same time having feelings of great accomplishment knowing you've done your best to achieve excellent results that have been recognized as such. It will take some getting used to trying to remember what our meetings and functions were like B.N. (Before Nationals).

I do think it is appropriate and safe to say that our 1994 National Show was a great success. I'm very proud of all of you ladies and gentlemen who played a part in it. You're all to be congratulated on a job well done-- and this was our first effort at this! I had many conversations with the guests and heard nothing but good, positive comments.

Again, it is a time for getting back to normal -- Whatever that is! But I'm sure we'll have no problem. It will be nice to plan to go to cruises and sit around and talk cars or whatever, or just hang out. No matter how you look at it -- the Gateway Group in St. Louis is definitely on the map!

Good Goating

*Darrell*

## Minutes of July 7, 1994 Meeting by Marty Howard

The meeting was called to order at 7:07 p.m.. About 17 people were present at Buster Murphy's. A new member, Tim Putnam who owns a '65 GTO was given our warm Gateway Welcome. Old business discussed:

- \* Darrell was begging for a new president so that he can relax. Ya want it?
- \* GTO Nationals (can you believe that this is now 'old' business?)
  - Darrell received a letter from Mike Radke thanking him for our effort.
  - Mike Harding (Indy Chapter) sent a letter to Darrell and said that he had a grrrrreat time.
- A postcard was received, by Cathey from a member, and said "Thanks for the great Nationals. Nice candy apple car and good drag strip driving, too". Way-to-go Cathey. That's our girl!

- Don't forget about the GTO National's video. Call Darrell. Let's buy our own club's product, huh? We had about a thousand people order the videos at the Nats. Well, maybe a few hundred. Anyway, a few people put down their bucks and ordered it.

- IT'S FINALLY OVER!!!

- Now that the stage is set for the Nats to be in Buffalo, N.Y. for '95 and Colorado in '96, it was rumored that Cathey was overheard saying "I'd love to do it again in 1997". I wonder what she was referring to?

- Lots of new members signed up for the GTOAA since they had to be members in order to participate in showing their car. We even signed a few in our club, too. One of the ladies on my registration team, Mary Doom, signed up for the GTOAA and promised to join our club shortly. Hey, Mary. For doing such a great job at the Nats, I'll pay for your membership for the first year if that's OK with you?!

- Some trophies will have to be mailed to the winners. They left early and now they will have to pay for the shipping of their own trophy. That will teach them to leave early.

- Some talk about new Concourse rules. Documentation is becoming more of an issue as time goes on. Options that could be put on the car, factory or dealer installed, may be allowed. Only in the talking stages. If you have an opinion, let the GTOAA know. That's what they are there for.

- John Johnson, who is on the GTOAA judging team, requests that if anyone mails him something, please make sure that you send it to Mexico, Mo (USA). Not New Mexico. He has more stamps from around the United States on mail he receives than I have working at the Postal Service.

### Misc. Stuff:

- \* If you respond to an ad in The Legend, say you saw the ad in The Legend. The Legend people like that.

- \* Don't forget about the 'klunker bills' that are now flying all over the U.S. They are at state levels and federal levels. I will try to dig up some info for a future article in the Hood Scoop as soon as I can find it since it is still covered up from all the National junk on my desk. I belong to 2 such organizations that are fighting these bills. Get involved or someday you might wish that you did.

## **Minutes cont.**

Also, the GTOAA is looking for a volunteer to spearhead the club and represent us in this endeavor. If interested call Darrell. Just kidding. Get in touch with the officers at GTOAA.

\* We currently have 93 members in our Gateway Club. Almost 50% are National members. The rest should 'get going'.

\* Bobby's Custard Cruise is still in the works. Keep your eyes on the events' calendar that Joyce and Vic keep putting together for us.

\* POCI Nats next week!!! July 13 - 16. A few of us are going to be leaving on different days. I'm going Saturday morning and coming back Saturday night, July 16. Think I got plenty of room in my car. Anyone want to join me or maybe cruise together? Call me!

\* Joyce forgot the 50/50 raffle tickets. Just when I had a real good feeling that I was going to win. That's the main reason I showed up at all. Thanks, Joyce.

\* Treasurer's Report - "We're In The Money. La la la la". Want to know more? Come to our next meeting.

Meeting adjourned at 8:25 p.m.

Bye, bye.

Our Members total 93 to date. Our new members this month are, Ron Hinote and Tim Putnam. Welcome Ron and Tim.
