PREZ SCOOP--MAY 1994

Greetings again fellow members,

Thanks to those who came out to our May meeting!

I was totally unaware that we had so many people of Mexican decent in our club! I'm assuming the reason for our low turnout at our May meeting was that was that everyone was out celebrating *Cinco de Mayo!* (Sorry Cathey, that flower arranging story won't fly!) Anyway, for those who attended, they got the opportunity to receive their newly-ordered jackets and drag-day T-shirts. I must admit--they're very nice! For those who ordered jackets, see Joyce; and for the drag-day T-shirts see Will.

Things are falling into place for the Nats-- We now have Dave Trokey's Band, "Crossfire", lined up for our entertainment pleasure, and I've been informed we also have D.J.s hired for Thursday and for Friday.

Don't forget our "dry run" for those of you who will be working the nationals. Please try to be there so you will know what to do when the time comes. The dry run will be held on June 5. We want to make a great showing for everyone who'll be attending and try to make this meet among the best of all times.

Business cards are in-- they will be available at the next meeting.

Good GOATING,

Darrell

Love is...

... thinking of inviting the visiting relatives to your next car show!

Convention Corner

by Cathey Pacelli

This month's column is a must read for nostalgia buffs with a need for speed. Saturday, June 25 promises to be an action-packed day for Meet participants.

The morning will begin with formation of the convoy to Gateway International Raceway. The departure of the convoy will make way for the road rally cars.

The grab bag rally starts at Stouffer Concourse and ends at the race track. The rally winner will have the highest total number comprised of the lucky numbers contained inside the grab bags received at check points along the route. Road rally cars will arrive in time to see a full day of racing.

Race day at the 15th Annual GTOAA Nationals will be a very special event. A separate spectator gate will be open to the public. A portion of the proceeds will be donated to the Dream Factory. This is a very deserving organization that is staffed with volunteers, allowing over 90% of donations to be used to grant wishes to terminally ill children.

There will be a display area where non-racing Meet participants are encouraged to show their cars. The racing program will be interrupted to make way for a grand parade of Pontiac Muscle. All GTOAA participants will be invited to show off their pride and joy.

The Gateway 'Old Goat Racers' have asked me to pass on some pertinent information about race day. There will be four bracket classes for GTO's, a non-GTO class and a special club run. Each chapter will be able to choose two cars to compete in the club run. Each class will have a first, second and third place trophy. The winning chapter of the club run will receive a plaque. And let us not forget 'the Fastest GTO.'

Gateway International raceway is a 1/4 mile NHRA sanctioned facility. All NHRA rules will apply. All drivers must wear long pants and convertibles or cars running 14.99 and faster require that a Snell 80 approved helmet be worn. Cars running slicks will need to be equipped with drive shaft loops. All carburetors must have two return springs, batteries must be secured with tie downs and seat belts are a must. Vehicles running 8.99 or faster must have an NHRA chassis certification before they arrive in St. Louis. Cars will also be checked for leaks at tech inspection.

Food and drink can be purchased at the track concessions. One hundred fourteen octane racing gas is available for \$3.50 per gallon. The track gate will open at 8:00 and our program will end at 4:00.

The day will conclude with the Grand Finale of the Meet, the Awards Ceremony. The ballroom of the Stouffer Concourse will be the site for recognition of the 'best of the best.' The ceremony will include a slide presentation of the winners. It is very important that you have your car photographed by the Meet photographer.

The deadline for early Meet registration is May 23. After this date, there will be a \$12.00 late fee.

The Gateway GTO Association wants to invite you to take part in this great occasion. Come to St. Louis and we will all 'Celebrate 30 Years of Slammin' Gears!!'

Minutes of the Gateway GTO Association Meeting

as recorded by Micki Monnig

The meeting of the Gateway GTO Association was held at Buster Murphy's on Dorsett and McKelvey Roads. The meeting was called to order at 7:08PM and twelve members were in attendance.

Darrell started the meeting by thanking everyone for attending and introducing the officers.

The tee shirts and jackets are in and if you have ordered something, now is the time to contact Will Bowers. Will declined to give a treasurers report and stated that we have spent a lot of money with the purchase of the tee shirts and jackets.

Remember the "Living in the Past Lanes" that was scheduled for last July at Pevely (but was flooded out)? Well Joyce has come up with the tee shirts from that event and stated that Tony Valenti is offering them for sale at cost (\$6.00) to anyone who wants them. Call Tony Valenti @ Motor Sports for additional information.

Joyce took the floor and provided information on up-coming events. The question was presented, do we want to have a cruise at Bobbie's again this year? The idea was met favorably.

Darrell again took the floor and stated that the GTOs beat the Mopars fourteen to six and the plaque is currently being engraved and should be at the next meeting. Congrats and thanks to everyone that showed up in support of this event.

The "Muscles from the Past" scheduled for Gateway this past Sunday was flooded out and re-scheduled for this Sunday May 8th, 1994.

New Business: Marty is going to check on the status of display cars for Moore Pontiac.

Cruise at the Burger King on Lindbergh and New Halls Ferry for Saturday May 14th.

Is the O'Fallon car show going to be a club event? We need input and commitment from you members.

Nationals:

1. George Ellis (Editor) will attend the Nationals.
2. Castrol is our best sponsor to date, providing advertising, goody bag items galore, participation with paraphernalia on location, etc.

3. There will be a full committee meeting Sun. May 15th., at Stouffer's Concourse Hotel from 1PM to 5PM.

4. There will be a dry run meeting at Stouffer's on June 5th., with all members performing their responsibilities. Please plan your schedule now so that you may attend these much needed, educational, fun experiences.

5. We need a map showing the area around the hotel and all of the highways. Micki volunteered to try and secure this.

6. The band for the parking lot party has been hired. Additionally, there have been two DJs hired, one for Thursday and one for Friday.

7. Joyce stated that we have forty (40) sponsors but only twelve ads are sold.

Joyce forgot to bring the 50/50 tickets so there was no drawing. The newsletter deadline is (as always) the tenth of the month, so get all of your articles and advertising to Joyce before that date.

A motion to adjourn was made and seconded at 7:47PM.

Don Darr Pontiac display

by Vic Nettle

April 16 was a windy cool Saturday morning at 9:30 when Ponti-yakkers started arriving at Don Darr Pontiac in south county. Members of the Gateway GTO Club seen at this show included Mark and Terry Clatto, Marty and Mary Howard, Joyce and Vic Nettle, John Novelli, and Bob Timmerberg (in alphabetical order). Don Darr provided free hot dogs and soda and free rides in the new 275 horsepower firebirds if you assured them you were a serious prospective buyer. Traffic was quite heavy on Lindbergh Boulevard. A Camaro ran into the back of another car because he was watching all the Pontiacs lined up on Don Darr's parking lot. Eventually he got his car going, but then his hood flew open and really messed up his car. He had a bad day.

GGTOA vs. Bi-State MOPAR Club

by Vic Nettle

April 17 was a beautiful Sunday at Mid-America Raceway. There were nine GTO racers and 15 MOPAR racers in the first round. So 6 GTO racers went two times in the first round. GTO Racers won 9 of the 15 races. In the second round there were 8 races and the GTOs won 5 of them. Several of the lost races were due to breakouts of only a few hundredths of a second. The racers were: Rich Vie, Tony Bezzole, John Sample, Darrell Carnal, Cathey Pacelli, Chris Simmons, Gary Taflinger, Paul Middendorf, and Axle Weiss. The first six of these racers are the ones who raced twice in the first round. In the second round, all raced again except Darrell, who had to leave early.

(W=win, L=loss)

Round 1: Rich L, Tony L, John L, Darrell W, Cathey W, Chris W, Gary W, Paul W, Axle W, Rich L, Tony W, John W, Darrell L, Paul L, Rich W.

Round 2: Paul W, John L, Tony W, Rich W, Cathey L, Chris W, Gary L, Axle W.

Others of the GTO Club attending the races included Micki Monnig, Joyce and Vic Nettle, John Hunt, Joe Kutrip, Pete Fahle (who is definitely a GTO racer, and who would have raced if his foot were not so heavy that he ripped the accelerator linkage off the firewall!), Keith Potter, and Sam Lawson. I hope I did not forget anyone.

The MOPAR Club brought 70 hot dogs which went quickly. The GTO Club brought soda which was enjoyed by all.

Entertainment was provided by Darrell who demonstrated that his potato gun could shoot a potato virtually out of sight.

Cathey and Micki showed us how one (actually two in this case) go about checking the oil using a landscape timber.
