My 1965 GTO

By Doug Wollgast

Gateway GTO
Association

I can say that my affection for cars has always centered around (A body) Pontiacs, but my favorite is the 1965 GTO. If it was up to me, my first car would have been a 1965 GTO, but my dad wouldn't put his blessing on a Tri-Power, 4-speed 389 with me being a 15 year old kid. My "first car" designation belongs to a 1965 326 Le Mans, cameo ivory hardtop with a dark blue interior. It was a very nice car and I have great memories of dad and I working to restore it. A couple years later dad relented and I had my first GTO – a 1967 – which I still have. During the time I owned the Le mans I had become friends with fellow Gateway GTO member John Novelli. We met each other at a Cecil Whittaker's Pizza car cruise in Bellefontaine Neighbors. John was my main source for parts and information and advice about GTO's. John also was the source for lots of GTO's for me to look over – as he bought and sold many over the years. My favorite was his 1965 reef turquoise sport coupe. The least produced sedan body style was my favorite along with the green/blue color of the turquoise paint and interior. I am sure it was this car's colors that formed my preference for these colors that I still have today. The other mandatory features that I believed must accompany the rigid sport coupe body – Tri-Power, 4-speed and 3:55 saf-t-trak rear end were all there as well. As an added bonus - the car also had a rally gauge cluster, AM/FM radio and reverb.

John purchased this car in the mid 1980's from a guy in Jefferson City Missouri that had it brought up by a car dealer friend from Arizona. John recalls that the guy had requested his pal to just find him a really nice "sports car". He showed up with this GTO on a trailer. At that time the

car was a 30000 mile original paint car. John's cars usually changed pretty regularly (as they do still) but he was partial to the coupe and it stayed with him for quite a few years. John raced the car on occasion and his best time was 13.10 at over 100 mph in the quarter. When he sold it in the late 1990's it went to a collector in Ohio who had the faded original paint stripped and nicely repainted. He then later sold the GTO to Doug Reno, in Indiana, who I

ultimately purchased it from in 2009. Having missed the first opportunity to buy the car from John - due to lack of funds, I was fortunate to have a second chance – and I took it!

The car was a very nice car that showed very well – and I was content to leave it that way. Things changed in 2011 when I broke second gear in the transmission. Pulling the transmission ultimately led to me pulling the entire frame and drive train for a “frame off” restoration.

Since the car was an Arizona car it was very nice – but I wanted it to be “like new” and have it concourse judged. Doug Reno had put it thru the concourse judging in around 2007 or 2008 and scored a silver after driving the car to the show in the rain. With the help of John Novelli and Ray Mansering, I restored the entire chassis to like new

condition. This meant full dis-assembly, glass beading, plating and painting everything down

to the last nut and bolt. As a machinist by trade, I am used to paying attention to detail and tried to do everything like the factory would have built the car in Fremont California in late December 1964. After completing the car in 2012 I was ready for the nationals! I was able to attend the 2013 co-vention in Ohio where the GTO received a Concourse Gold award in both the POCI and the GTOAA. The GTO was also featured in both the GTOAA Legend magazine and the POCI Smoke Signals magazine.

The Presidents Scoop

By Kerry Friedman

The 2015 Car Show Season is over. I personally went to fewer shows than I have since I finally had my car back together and on the road. You ask why? Well one reason is that I have been traveling for my job more than I have had planned. New projects with deadlines and new products with technical issues, different installers that have not had the experience that others have. Does that sound like putting a new digital electronic instrument in your old analog car? You bet. Same issues. So when I get home from a week or few days dealing with these things, I just want to stay home and do nothing. If I do go to a show or some car event, the first thing I have to do is get the Goat out and wash it. That doesn't sound like fun. So, most of this summer, I have simply used the California Duster and then the Maguire's Detailer. The car looks great when it shines in the sun, but am I damaging the finish? Why don't I put the cover on the car when I bring it home from an event? How about a New Year's Resolution?

Nominations for Gateway GTO Officers were opened at the September Regular Meeting, and brought up at the October and November meetings. To nominate someone, send an email to Will Bowers at WWBDSB@YAHOO.COM.COM. Nominations close at the end of November, so if you have a nomination do it soon. Ballots will be in this newsletter, and in a special email. Votes shall be turned in to Will by December 1, so that the results can be announced at the Christmas Party on December 5. The current Officers have agreed to run for another term, and have been nominated. So if you have approved of the Officer's job for the last two years, then vote for them again.

The last regular Gateway GTO meeting of 2015 was held on Thursday, November 5, at The Sport's Café, in Bridgeton. We had a Guest Speaker on Medicare and Supplemental Insurance. Since a lot of us are getting to that Age, it was very informative and interesting. Elliot Cytron was also there and gave a wrap up of the 2015 Wheels In Motion. Although we did not raise as much as last year, \$13,000 was the amount that will go to the Nation Children's Cancer Society. If anyone has ideas or knows someone that would come to one of our meetings next year to present a topic or item, please let me know and we'll get it on the agenda.

Coming up in December we have the annual XMAS Party, Racing to the Holidays at the Barn in Webster. New games are in store and the usual Rob Your Neighbor gift exchange will be held.

Get your reservations in to Will Bowers by the 28th of November. We will have a great meal and plenty of desserts.

Coming up in January, we'll have our annual pizza party at Pirrone's Pizza in Florissant. If we don't see you at the Party, be sure and Have a Safe, Healthy and Happy Holiday Season.

Gateway Girls:

At our convention in 2017 we will have an indoor parking lot party complete with a 9-piece band. The party will be called "Its My Party" with a sock hop theme. We are going to encourage each chapter to choose an era, 1950s, 1960s, 1970s, 1980s, and dress accordingly.

The Gateway Activities Committee has chosen the 1950s era, so poodle skirts are in order for the girls. Barb Lewis has graciously volunteered to make the skirts for \$20 and we can order black GTO pink rhinestone shirts through the club store for \$24. If you want to order a poodle skirt contact Barb 636-219-4936 or Gail Schott 314-952-9832 with size (waist measurements so material can be purchased. Work has already begun on the skirts.

2017 Nats Work Shirt Contest

For the 2017 Nats, Gateway GTO will be supplying our club workforce with T-Shirts. The front of the shirt will have Brian O’Sullivan’s great logo for the event. For the back we are looking for something more creative than “Staff”. For example, this year at the Nats the shirt’s said “Goat Herder” on the back.

Gateway GTO members are invited to come up with suggestions. We will look at all of them and the officers will pick a winner. The winner will receive their 2016 Gateway GTO Membership dues paid for by the club. All entries are due by Jan 1st. The winner will be announced at the Pizza Party in January.

The REVERB

With GTOAA Recruitment and Public Relations Coordinator *Vic Schreck*

A word from your public relations team about the GTOAA's Refer A Friend program.

Back in October 2014, we began the Refer-A-Friend Program. This program gives a GTOAA member the opportunity to receive up to one year of *free* GTOAA membership. An individual who refers a friend to join the GTOAA will have an additional 6 months added to their existing membership. An individual who refers 2 new GTOAA members will have one year (12 months) added to their existing membership.

A "new" member is defined as an individual who has never been a GTOAA member, or whose GTOAA membership has lapsed and has not been renewed for at least one year. The

free GTOAA membership is limited to 2 referrals per calendar year, and one 12-month membership extension.

It has been one year since this program began, and I'd like to bring everyone up to speed how the Refer-A-Friend Program has fared. During the first year of our endeavor to aggressively recruit new GTOAA members, the GTOAA grew 12%. Of that 12% total new-member growth, the Refer-A-Friend Program is responsible for 19%, with the addition of 73 new GTOAA members through this program. I'd like to thank everyone who contributed to its success.

We are happy to announce we will be continuing the Refer-A-Friend Program and have added a few incentives. Those who previously referred the 2 maximum individuals during the

first year are again eligible. Also, the individual who refers the most new GTOAA members between October 1, 2015 and June 15, 2016 will receive a GTOAA jacket with their name embroidered on the front. Further, they will receive a one-year *free* membership, one complimentary ticket to the next GTOAA Nationals banquet they attend, and recognition in *The Legend* magazine. The winner of the jacket and incentives will be notified after this program concludes on June 15, 2016.

Happy Motoring,

Vic

Route 66 Cruise to Lebanon Mo By Terrie Oxler

On a beautiful Saturday, October 24, 10 GTOs and 2 personal vehicles gathered at the Route 66 State Park for a weekend cruise on the Mother Road to Lebanon, Missouri, the destination being the Munger Moss Motel. A quick stop at the World's Largest Rocking Chair provided another picture perfect backdrop for the GTOs. We arrived for lunch at the Elbow Inn at Devil's Elbow, MO. The Elbow Inn is known for its "bra ceiling" and not to be outdone, the Gateway GTO Club left two token bras with the club monogram courtesy of Barb Lewis and Donna Bowers and Mr. GTO had the honor of removing Barb's bra and stapling it to the ceiling. Next to the El-

bow Inn is an old steel truss bridge which crosses the Big Piney River and dates back to the early days of Route 66. Thanks to our club photographer, some great pictures of the goats crossing the bridge were obtained.

The cruise continued on to the Munger Moss destination. We checked in with Ramona Lehman who

with her husband has owned the iconic motel since 1971. Then the “tour” began with everyone’s rooms noting blue toilets, blue tubs and tile and the Oxler’s room which was decorated with Route 66 memorabilia. Ramona took us on a tour of one of the original Munger Moss rooms dating back to the late 1940’s. She also showed us one of the “year round” rooms they rent which really help them survive the winter

months when travelers are scarce.

Dinner was at Mr. T’s Redneck Steakhouse where the group was given a private room and most of us enjoyed steak and prime rib dinners.

Back to the motel and gathering around the fire pit for a game of Catch Phrase. This is a game where you must get your team to name the word or thing that pops up on the game display without actually saying the name or thing. We had a great time watching Chris Winslow try to get his team to say “Sperm Whale.” Popcorn was provided by the Schotts and of course some beer and wine was served. Three “tiger girls” got their share of laughs (see picture).

The cruise was uneventful, no breakdowns, but a “close call” for one member as he thought he was paralyzed when trying to stop his GTO from hitting a pole in the motel parking lot and could not move his foot to use the brake. Good news - he was not paralyzed, just a shoelace caught in the door, but bad news is that the bumper of his GTO hit the pole and did some damage to the new paint job.

Fay’s Diner was the perfect place for Sunday morning breakfast. As expected, the décor was Route 66 memorabilia and license plates since we were on the Gateway GTO Club Route 66 Cruise.

NEW AGE GTO CONCOURS PROJECT

The GTO Association of America has initiated a project to create a set of photo records on the 2004 to 2006 GTO in anticipation of a time in the future when these cars will participate in the annual GTO Association of America Concours car show.

Gateway GTO has been chosen as the chapter to assemble these photo documentaries.

The project requires six **BONE STOCK** new age GTO's - One manual transmission and one automatic transmission car from each model year.

Ground Rules for Eligible Cars:

- Car must be bone stock with NO aftermarket parts or modifications. The only exceptions are batteries and tires.
- Factory parts, such as the sports appearance package and 18 inch wheels, are allowed.
- All parts the car was originally supplied with, such as the spoiler, must be installed. (Exception: Parts removed to install other factory parts such as the sports appearance package or 18" wheels.)

Once the cars are identified, a photo session will be scheduled.

If your car meets the requirements of the ground rules and you are interested in participating, please contact Chris Winslow.

As a form of communication we publish a monthly newsletter called "The Hood Scoop". The purpose of this newsletter is to keep our members informed of all upcoming activities as well as providing interesting event coverage. The club meets every first Thursday of the month at Sports Café 3579 Pennridge Dr, Bridgeton, MO 63044
