

# THE HOOD SCOOP

April 2016

## GTO's of the Month

By Cecil Morton

Gateway GTO  
Association

An Official Chapter of the GTO Association of America

The love for the almighty American automobile has gone on most of my life. In May of 1965, I graduated from high school and started a job at the auto body shop in an Olds, Pontiac and Buick dealership in Edwardsville.

The Pontiac G.T.O was most popular followed by the Olds 4-4-2 and Buick's Grand Sport.

Road testing these cars was a great perk of the job. The G.T.O was always my car of choice.

That lasted for about two years and was traded for a drab green Jeep (ARMY Issue).

I played around with many different cars for several years and in 1989 I bought my first G.T.O, a 1967 Hardtop. This car was a real basket

case with two truck loads of parts. Since then I have had several G.T.O s and still haven't used up all the parts.

As of right now we have a 1965 Hardtop in process of being restored, a 1966 hardtop with 60,000 original miles, this is a vary fun and reliable car. We also have the "Show Stopper" a 1968 covetable 4-speed and a 1969 Hardtop with original bench seats.

Some day I will be able to have all of these cars finished, but once I do I will be ready to buy more. I really appreciate the help I get from the Gateway G.T.O Support Group.

# Presidents Scoop

## The Presidents Scoop By Kerry Friedman

Have you ever gone to a Car Show, registered and received a Goody Bag full of items like a dash card, dash plaque, coupons, advertising, show schedule? Those bags didn't fill themselves. Those items didn't appear by themselves. The dash cards and dash plaques didn't design themselves and print themselves. Most of the active Members of the Gateway GTO Association, or any member of a Club that has put on a Car Show or similar event will know what I am going to say.

Every one of these events takes a significant amount of planning. The first items in planning is getting the date and location. Usually several people agree on the date and someone has to get permission from the owner of the site. While this is happening, someone designs a flyer for the Show telling all about it, time, date, classes, cost, benefit cause, and other details like a DJ, or available food and drink. The dash card and plaques are designed, bids are solicited for production, and all of the other items are obtained through other solicitation.

Even when all the Planning is done, the day of the show is when it all has to come together. Take the registration fee, park the cars in an orderly manner, have the cars judged, or count the ballots, present the awards, etc., etc., etc.

All of this results in some very hard work for quite a few people. But at the end of the day, those that participate go home worn out, but with a smile and a satisfaction that what they did was a success and a benefit to a Charity that can help others realize a dream or get financial help for medical treatment.

Now imagine you are going to plan a National Convention, where people come from all over the country, and Canada. You have to do everything we did for a one-day show but 5 times that, get lodging set up, sponsors, speakers, awards, and on and on. This planning takes over 2 years to accomplish. The last time we did this was in 2005. It was a lot of work. Was it worth it? You bet it was. The Friends you make is one of the benefits. The Next Planning meeting for the GTOAA 2017 National Convention Wednesday, May 18, at 7:00PM at the Sport's Café. Everyone is welcome to join us and there are still plenty of things to do.

# Presidents Scoop

Cruises and tours of facilities also do not usually happen overnight or without coordination and planning. Once a Cruise is thought up, the Planner usually has to write up the route, make a map, drive the route, make changes, try again, and again. If we end up at a site to visit or see an entertainer, or have a meal, someone has worked this all out. The bottom line is usually a great time for all and the work that has been put into it is rewarded when you see a lot of people participate with a lot of Cool Cars going down the road and all the spectators stopping to watch.

I invite all of our Members to try and attend 1 meeting, or go on 1 event with us this year, where we can get to meet you, see what you have done to your car, and get your input and ideas for more Fun things to do.

Our next Regular meeting is Thursday, May 5, at 7:00PM at the Sport's Café. Hope you can make it. Before both meetings, dinner at 6:00 for fellowship and a good meal.

# Meeting Minutes

## Meeting Minutes for

**April 7, 2016**

7:03PM – Meeting start – We have gained two new members since the last meeting, neither were in attendance. Eric Beasley from Schaeffer Oil gave a presentation and answered questions about their products. For anyone interested in buying any, Terry Schott is looking to put in a good sized order.

7:38 – Elliot Cytron dropped by with fliers for the Wheels in Motion show. He gave some details about this year's event and thanked the club for our help. He mentioned that this will be the 20<sup>th</sup> year for this show.

7:40 – Old Business – Kerry Friedman and Earl Lewis talked about the Cottleville St. Patrick's Day Parade. Will Bowers said that the Horseless Carriage Easter Show went well, but GTO turnout was light.

7:43 – New Business – Kerry Friedman said that we are still looking for calendar events and articles for the newsletter.

7:45 – Upcoming events –

4/23 – Six Flags Rally w/ Arch Pontiac Club. Gateway GTO members invited. If you are interested in participating or want more info please contact Mark Melrose or John Havens

5/1 – Model T swap meet at Gateway Raceway

5/7 – Show Me Corvair cruise. Start at White Castle. Historic home views and Country Roads

5/15 (5/22 rain date) – Bonne Terre Race Track from 11:00AM - 5:00PM. Meet in Arnold at Circle K (Shell) on Richardson Road (Exit 190 I-55) at 9:30. CSE

5/21 – Baptist Hospital Charity Car Show for United Way. Rain or shine. CSE

5/30 – Cobblestone Nationals at Fastlane in St. Charles.

6/10 – Munganast Motor Mania. 13720 Manchester Road. Show off, no registration. 4:00 – 10:00PM

6/11 – Fort Eversgard cruise and Elvis concert. Meet at Gateway Classic Cars in Shiloh, IL at

10:30. Leave at 11:00 for Wally's Hamburger for lunch in Breese, IL. At 12:30 depart for fort in Germantown. At 5:00 leave fort for Jailhouse in Trenton, IL. Cruise over after performance. This will also be a poker run. \$10 per car to benefit Fort Eversgard.

8/28 – Gateway Annual Picnic at Vago Park. Maryland Heights, MO. CSE

9/11 – Wheels in Motion. Marty will have a 9/11 presentation at the show. CSE

9/17-9/18 – 5<sup>th</sup> Annual GTOAA Regional Car Show. Pontiac, IL. CSE

9/24 – Olivet Baptist Church Car Show

TBD – Rascals Baseball game. Possible meet up at restaurant beforehand and GTO's will get to drive on the field pre-game (weather permitting). Details to follow soon.

8:04 – GTOAA – Tom Oxler talked about possible trailer parking lots for the 2017 Nationals. Earl Lewis mentioned that he acquired Safelite as a sponsor. Terry Schott talked about the downtown cruise. Steve Hedrick gave an update for the 2016 Nationals. He said that the host hotel is sold out, but if anyone is still interested in going, to contact him because he has a few rooms reserved.

8:10 – Tech – Tom Oxler spoke about PCV valves. He brought in a new adjustable valve from Wagner. He will let the club know how things work out with the new part.

8:17 – Steve Hedrick talked about the Norwalk show. He has several rooms reserved for anyone still interested.

8:19 – Club Personals – Jim McCarthy's sister passed away after a long battle with cancer. The club's thoughts are with him and his family.

The GTO Tiger has retired to Florida.

8:23 – Motion to Adjourn by Earl Lewis, seconded by Brian O'Sullivan.

50/50 of \$37 won by John Taylor

# Convention Corner

2017 will be here before we know it. As we prepare to host the GTOAA convention, Tom Oxler has put together a tentative set of committee assignment. These are intended as a starting point, so please take a look at your assignment and if you would prefer to be in a different group, please let us know.

### *Gateway Girls:*

*At our convention in 2017 we will have an indoor parking lot party complete with a 9-piece band. The party will be called "Its My Party" with a sock hop theme. We are going to encourage each chapter to choose an era, 1950s, 1960s, 1970s, 1980s, and dress accordingly.*

*The Gateway Activities Committee has chosen the 1950s era, so poodle skirts are in order for the girls. Barb Lewis has graciously volunteered to make the skirts for \$20 and we can order black GTO pink rhinestone shirts through the club store for \$24. If you want to order a poodle skirt contact Barb 636-219-4936 or Gail Schott 314-952-9832 with size (waist measurements so material can be purchased. Work has already begun on the skirts.*

## Tech Article of the Month

### Fuel Rail Cover Modification

By  
**Chris Winslow**

As many of you know, there have been a few of the new GTO's lost to engine fires. Many of us believe that the source of these fires is the failure of the fuel line that routes under the left hand fuel rail cover. On the 2004 GTO's specifically, and to a lesser extent the 2005 and 2006 cars, this line is a bit too long and tends to ride against the fuel rail cover. Since one end of this line is fixed to the firewall and the other to the fuel rail, this line is constantly rubbing against the edge of the fuel rail cover as the engine shifts left and right during normal driving. Obviously, more aggressive driving causes even more relative motion and consequently more rubbing.

Over time, the interaction between the fuel rail cover and the fuel line can result in a cut forming in the fuel line. This can eventually lead the fuel line to fail causing gas to spray all over the inside of the engine compartment. GM apparently recognized this problem because for the 2005 model year, they shortened the fuel line and changed the opening where the fuel line enters the fuel rail cover to make it considerably larger. These two things helped a bit, but I would still recommend that those of you with 2005 and 2006 cars check your fuel lines for damage.

So the question is, what can one do about this? Some people have actually just removed

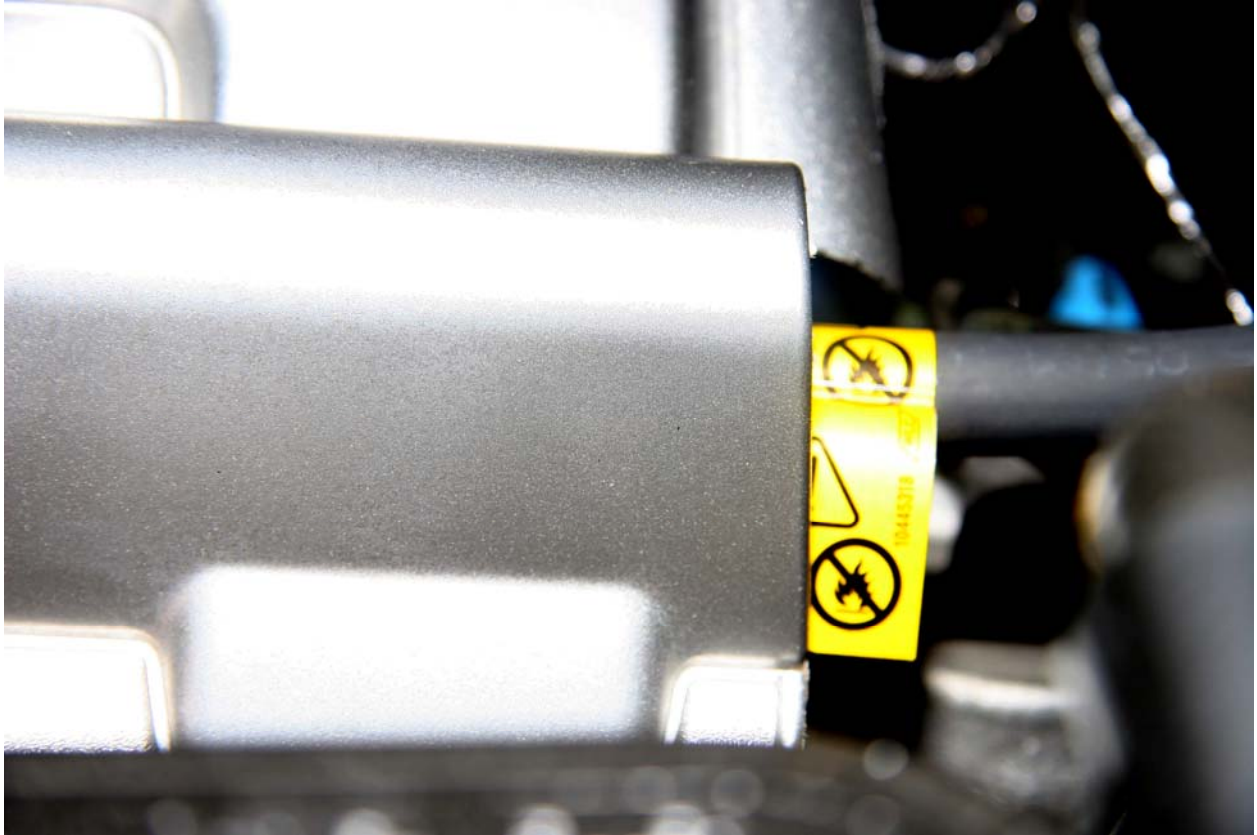

the fuel rail covers altogether. I am not a big fan of that look myself, so I did not go that route. The other mod I have seen is the ever popular shade tree mechanic trick of taking a short length of hose, splitting it down the middle, and securing it in place in the area where chaffing is a concern to act as the sacrificial layer. While this option will work, it leaves the end of the hose sticking out past the fuel rail cover, which is something that I was not prepared to live with.

In my case, when I first heard about this problem, I inspected my car and found that it had the condition. I immediately took the car to the Pontiac dealer (back when there was such a thing!) to get the line replaced under warranty. The dealer I went to was surprisingly difficult to deal with on this issue and only reluctantly agreed to change the hose. Once I had the new hose installed, I needed to figure out a way to prevent the problem from occurring again.

After giving it some thought, I came up with a solution. It is basically a modified version of the split hose option. What I did was take a short section of hose and split it down the middle. Instead of installing it on the fuel line, however, I used silicone adhesive and glued it to the under side of the fuel rail cover. I was careful to position it such that the end of the hose is just shy of flush with the edge of the cover. The result is that there is no relative movement between the hose piece I installed on the fuel rail cover and the cover itself. Essentially I end up with rubber on rubber contact between the hose section and the fuel line.

The result can be seen in the photo below. When the cover is installed, the hose section glued onto the underside of the cover cannot be seen. This solution allows the hose to be fully protected, but in a way that is not visible once the cover is installed.

# Gateway GTO Activities

## Cruise to Montelle Winery By Tom and Terrie Oxler

A beautiful Sunday afternoon, April 17, 2016, and a few Gateway members cruised down Highway 94 to Montelle Winery in Augusta. It was time to take the GTOs out of the garage as the weather was in the 70's– finally! Arvelle was the entertainment at the Winery and he was surprised to see Gateway there as he usually sees us in November. In attendance were Frank and Cheryl Chapman (probably a 125 mile round trip for them), Will and Donna Bowers, Rich and Sue Vie, Dave and Diane Huesgen, Joe and Bev Mayweather, Mark and Sandra Melrose and Tom and Terrie Oxler. Good friends, good wine, good entertainment, good weather – who could ask for anything more?

# Gateway GTO Activities

## Year Of The 6's

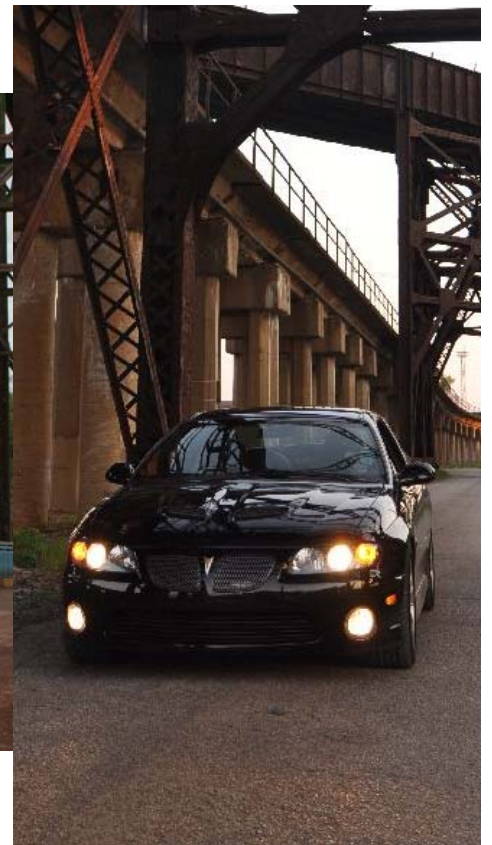

**Calling all owners of 1966 and 2006 GTO's!**

**This year, in celebration of:  
50th Anniversary of the 1966 GTO  
10th Anniversary of the 2006 GTO**

**The Hoodscoop will be featuring Car of the Month articles on the anniversary years**

**If you own one of these special cars, please get to work on your article(s) and get them to Chris Winslow**

# NEW AGE GTO CONCOURS PROJECT

The GTO Association of America has initiated a project to create a set of photo records on the 2004 to 2006 GTO in anticipation of a time in the future when these cars will participate in the annual GTO Association of America Concours car show.

Gateway GTO has been chosen as the chapter to assemble these photo documentaries.

The project requires six **BONE STOCK** new age GTO's - One manual transmission and one automatic transmission car from each model year.

#### Ground Rules for Eligible Cars:

- Car must be bone stock with NO aftermarket parts or modifications. The only exceptions are batteries and tires.
- Factory parts, such as the sports appearance package and 18 inch wheels, are allowed.
- All parts the car was originally supplied with, such as the spoiler, must be installed. (Exception: Parts removed to install other factory parts such as the sports appearance package or 18" wheels.)

Once the cars are identified, a photo session will be scheduled.

If your car meets the requirements of the ground rules and you are interested in participating, please contact Chris Winslow.

**This is your chance to make your GTO the standard  
against which all new age GTO's will be judged!**

Still looking for a 2005 Automatic Car - All other slots have been filled

## Gateway GTO Association Photo Album

If you have photos of past events or if you take pictures of future events that you think would be good for our Photo Album, please send them to the newsletter editor.

**The Hood Scoop** is published as an informative news bulletin to keep our members up to date on past, present, and future events.

### Advertising rates are:

\$100 – Full page (Color or Black and White) ad in monthly *Hoodscoop* newsletter for 12 months, your logo on our Website Sponsor page, and a link to your website from our Related Website Link space.

\$50 – ½ page (Color or Black and White) ad in our monthly *Hoodscoop* newsletter for 12 months, your logo on our Website Sponsor page, and a link to your website from our Related Website Link space.

\$25 – Business Card (Color or Black and White) ad in our monthly *Hoodscoop* newsletter for 12 months, your logo on our Website Sponsor page, and a link to your website from our Related Website Link space.

## Advertising Guidelines

Classified ads up to 50 words are free to members; add 10 cents per word for any ad over 50 words. Payment is due upon submission. (members need to update ads at 3 month intervals or ads will be dropped). Classified ads up to 50 words for non-members are \$5.00 per issue.

## Gateway GTO Club Information

The Gateway GTO Association was initially formed in the summer of 1984 by a group of seven. They all had a common interest in the Original Muscle Car, the Pontiac GTO. As a form of communication we publish a monthly newsletter called "The Hood Scoop". The purpose of this newsletter is to keep our members informed of all upcoming activities as well as providing interesting event coverage. The club meets every first Thursday of the month at Sports Café 3579 Pennridge Dr, Bridgeton, MO 63044

Membership dues are \$35.00 per year and all renewals are required to be paid by December 31st. You are allowed to have one associate member.

## Club Sponsor

**As a Gateway GTO member please consider joining the GTO Association of America**

**The Gateway GTO Association  
is an official chapter of the  
GTO Association of America
