We started 2026 on a very sad note with the passing of Beth on January 4th. As most of you know, Beth had been battling health issues for the last few years. Beth was a major force in the GTO hobby. It is hard to imagine what GTOAA would look like today, or if it would even still exist, had it not been for

THE HOOD SCOOP

her tireless efforts in support of the organization over the years. But, on top of all of that, she was a genuinely nice person that we are all going to miss in the years to come.

Below is a memoriam that Tom Szymczyk put together for Beth. Please keep Beth and Bob in your thought and prayers.

It is with profound sadness that we report the passing of our colleague, mentor, and dear friend Beth Butcher.

Beth served GTOAA for thirty-nine years, as Corporate Secretary and Treasurer, Membership Coordinator, *Legend* editor, Database Manager, Convention Treasurer, Convention Registration Coordinator, and Board of Directors member. Very often, Beth did three or four of those jobs all at once.

Beth was never one to seek the spotlight. She worked behind the scenes to make sure everything happened on time

and on budget. Magazines got printed and mailed, conventions got funded, staff expenses got reimbursed, and the bills got paid. You never saw Beth "speechifying" at our conventions. She did her many jobs with care and dedication, always without fanfare.

When I joined GTOAA in 1993, Beth was Treasurer, Membership Coordinator, Director, and *Legend* editor. She was also working a full time "regular job" as well and raising her daughter Gwen.

Early in her GTOAA career, Beth and her late husband, Gary, personally funded the printing and mailing of *The Legend* when some previous officers left the club in less than perfect shape.

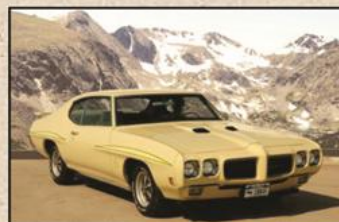

Along with Bob and Connie Maher, Beth and Gary kept the GTOAA in business during a very chaotic and unstable period. It is uncertain if GTOAA could have survived without their dedication and effort.

I think it is fair to say that Beth has done more for the Association than anyone else in our club's history. Dedicating more than half her life to the GTOAA, she performed her various jobs with honesty, integrity, and unswerving loyalty.

Beth is survived by her second husband, Bob Alexander, her daughter Gwen, and grandchildren Isabella and Sofia Quiroga.

At the GTOAA convention this July in Loveland, Colorado, we will have a celebration of Beth's life and career with the GTOAA. Her Sierra Yellow 1970 Judge will be on display in the host hotel.

--Tom Szymczyk, *Legend* editor

# Gateway GTO Pizza Party

## Gateway GTO Pizza Party By Chris Winslow

Our first event of 2026 was our annual Gateway GTO Pizza Party on Sunday, January 18th. This was our second year at Fortel's Pizza Den in South County.

Despite the bitter cold, we had a nice turnout and filled up most of the room

We had ordered the pizzas and salad ahead of time and everyone got their own drinks. Like last year, that worked out really well and avoided the issues we had seen in previous years waiting for drinks and salads to come out. Fortel's also did a great job of getting the pizzas out right on time and all at once, so we were not waiting for pizzas to come out a few at a time.

Will was busy with lots of folks renewing their Gateway GTO membership and we got to see some members that are not often able to make our normal monthly meetings at Gingham's. It was also a great opportunity to catch up with everyone and figure out what winter projects we all have underway (or at least planned)!

Thanks to everyone for coming!

# Presidents Scoop

## The President's Scoop

By Chris Winslow

As I wrote in the opening article in this newsletter, the passing of Beth Butcher was a very sad way to start the year. Within GTOAA, we are planning a remembrance of Beth at our convention this year in Loveland, CO. For those of you that may not have seen it, I have included the link to Beth's obituary here: [Beth's Obituary](#). That page has links to two causes that Beth's family has identified if you would like to make a donation in Beth's memory.

Beth is a nominee for induction into the Pontiac Hall of Fame. For those of you that vote yearly for inductees, I encourage you to make Beth your #1 choice for 2026. For those that have never voted, please consider going to this page, [Pontiac Preservation Association Contact Page](#) and send them a message asking to be included in the online induction voting.

Each year in January, Will Bowers prepares Gateway GTO's annual financial report for the previous year. I have that report included in this newsletter. For 2025, we had a net loss of \$3495.88. We did have one unusual expense in that our website hosting came up due for renewal in 2025 (occurs once every 10 years) and that by itself cost us \$2019.18. Without that expense, we would have had a net loss of \$1476.70. The reason that we are running the deficit is simple, we are taking in less money in annual dues than we are spending to support club activities and expenses. In the coming months I will plan to discuss all of this at our monthly meetings to get a sense for how the club membership would like to address this long term. In the mean time, if you have not already renewed your Gateway GTO membership yet, please do so by the end of the month. Everyone that does this by January 31st will be entered in the raffle for the Mark Obukowicz collectible items shown later in this newsletter. The winners will be announced at the February meeting.

Our Chief Entertainment Officer, Marty, is already on it for 2026. He has scheduled our 12th annual Pinball Wizard Tournament. I have included the flyer with the details for that event later in this newsletter. For those of you planning to attend, please let Marty know by February 8th so he will have a good head count.

Also, just a reminder that for 2026 our monthly meetings will occur on the first Thursday of each month February through November at Gingham's in St. Charles. The meetings start at 7:00 and many of us arrive earlier for dinner and some socializing before the meeting.
